

# Sheffield Community Acupuncture

## Covid-19 Secure—What's that mean?

### Important Information

- **Social distancing means we can see much fewer patients, this means appointments are a lot more in demand. New patients are asked to prepay for the first appointment, voucher holders will be asked for the voucher security number.**
- **We ask you complete a Covid-19 Consent Form 24-48 Hours before your appointment.**
- **PLEASE DO NOT ATTEND THE CLINIC IF YOU HAVE ANY COVID-19 SYMPTOMS OR YOU THINK YOU MAY HAVE.**

### Key Changes to the Clinic

#### One Patient

Whilst 2 metre Social distancing is in place, we are seeing one patient at a time and leaving 15 minutes between patients. Patients in the same family bubble can be seen together.

#### Enhanced Cleaning

In addition to our usual strict cleanliness guidelines, we are frequently disinfecting contact surfaces between patients. The clinic is frequently ventilated and we have a HEPA Air Filter.

#### PPE

The practitioner will follow Public Health England Guidelines on correct use of PPE. The practitioner and patient are required to wear a face mask at all times. Masks are available.

#### Hand Sanitising

You will be asked to sanitise or wash your hands when you enter the clinic.

#### Carers and Chaperones

Attend the clinic alone if at all possible unless you need a carer or chaperone to be present.
